Feedback on JT4-045 2 July

SG1A

OOC: 021000I Jul

[] can be located at 2530N 7705W. The vessel will travel north toward the Grand Bahamas. She is carrying cocaine, destined for West Palm Beach, FL.

OOE: 021000L Jul

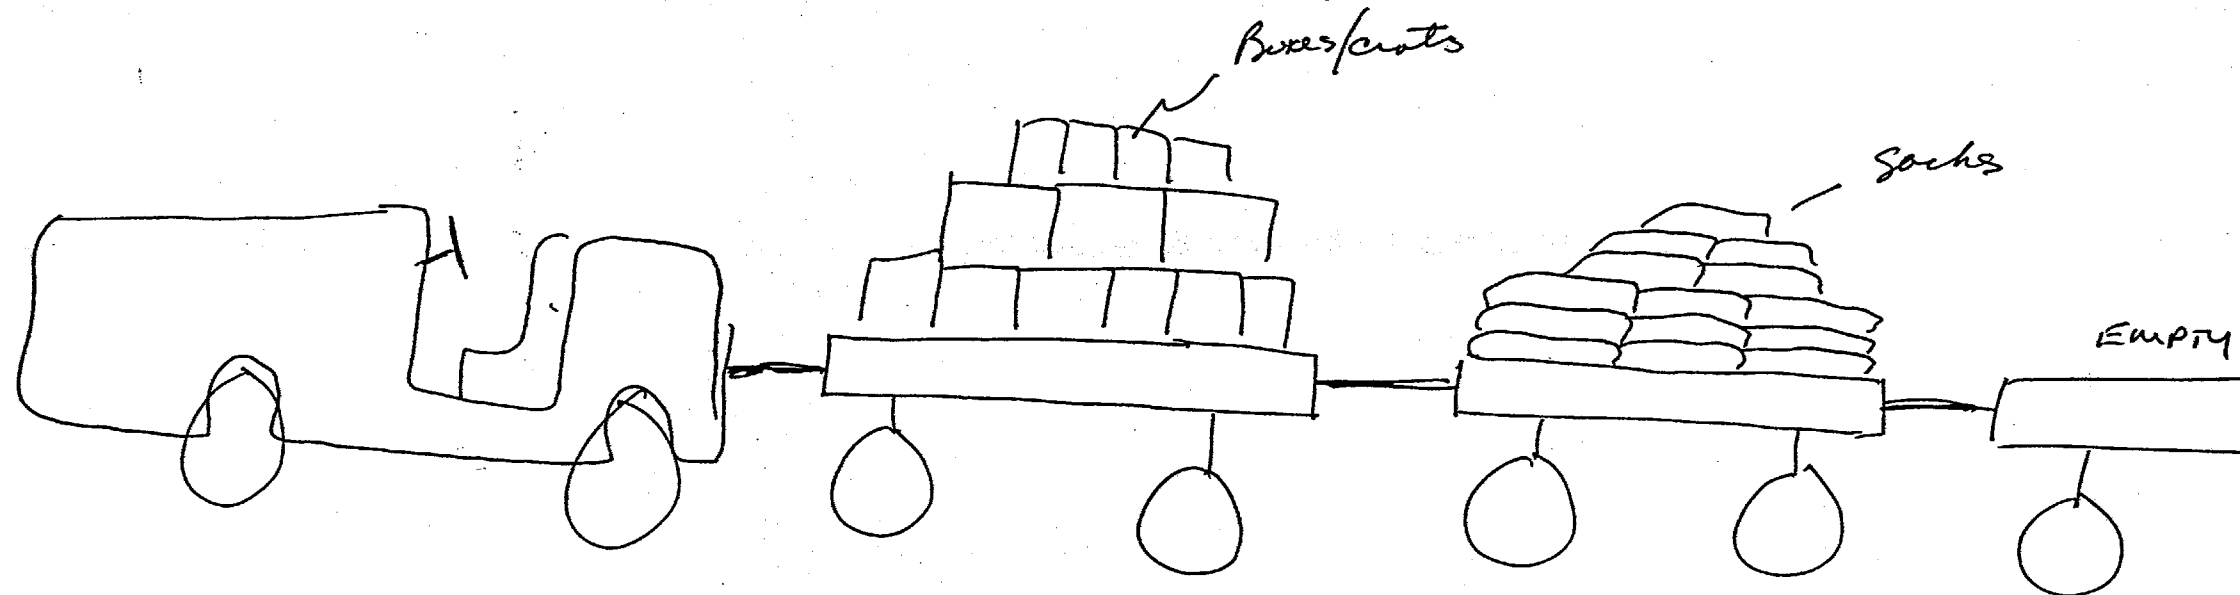

Currently located at 2450N 7645W. Carrying cocaine on starboard side at amidships, below in a bench or storage box/compartment. Will not go as far north a Palm Beach; is destined for Ft. Lauderdale. There is another vessel close to [] but cannot tell whether the two are associated. This is a repeat run for the []

Located at 2457N 7835W. It is carrying some form of contraband drugs on a "train" (see diagram). Destination is 2658N 8005W. The contraband can be associated with large bags of sacks of coffee or spices. Phonetics: CAYMAN 2, URSUS or URSULUS, FLAM__ or FLEM__, COATS or COATI, RAMIS, __V 001 2 or 3.

54/56 Sketch

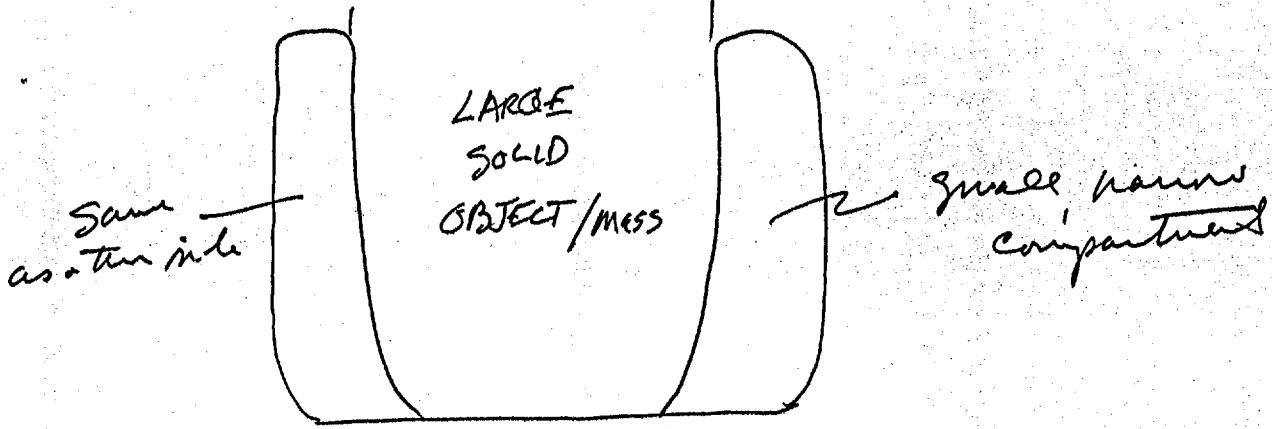

"Train" is 5 or 6 carts/wagons long;
only first two are carrying loads.

* Most ~~Sacks~~ bags are stowed towards the ~~rear~~ front

** Some bags are ~~stowed~~ ^{rearmost} forward

xxx Sacks/bags are packed along either side of a large object
